LOOK**

## ONE APPLICATION A YEAR IS ENOUGH!

Want to maintain the shine on your newly-purchased N&N trailer? Galva Protect is the perfect product for you! Maintain your trailer's like-new shine with a once-a-year application, using a spray gun.

Note: The product does not restore shine, but if it is properly applied every year, it will maintain the shine of the galvanized steel.

## BENEFITS

- ✓ Protects the shiny appearance of your galvanized trailer for 1 year.
- ✓ Eliminates the risk of white rust.
- ✓ Perfect, when the look of the trailer counts.
- ✓ Easy application with a spray gun.

For more information, see the technical sheet for this product in the Documentation section of our website.
