

BUFPRE275G30KD

ADVANTAGE

This is our next generation of gooseneck flatbed, our new Buffalo Premium.

Featuring our brand new cambered frame technology for more strenght on road and less flex, the Premium series will allow you to transport heavy load legally with peace of mind.

The Premium is combining the HDSS "hutch type" suspension with a low pro deck of 36". You can choose between our 3 different couplers, 2 5/16 ball (GVW 30000 LBS), 3" ball (GVWR 37500 LBS), 2" king pin (GVWR 37500 LBS).
